Dear Brothers and Sisters,

There are many individuals who consider themselves faithful members of Saint Sabina, but for whatever reason, have drifted from regular attendance or active involvement. Sometimes a person just got upset over something and stopped coming, and still consider themselves a member. Often times after an extended absence, their name is removed from membership. Then there are others who come to church regularly but have never officially joined membership.

In many government agencies they have what is called, "Amnesty Day" where all are welcomed to start a clean slate with no questions asked. I thought it would be a great idea to have Amnesty Sunday at Saint Sabina. On that Sunday we look for unregistered members to register, distant members to come back and recommit, and regular members to rededicate themselves to their church. On Amnesty Sunday, all in attendance will sign a recommitment, rededication form.

As we prepare to celebrate the 100<sup>th</sup> Anniversary of The Faith Community of Saint Sabina in 2016, we want to bring the whole family together as we move forward building the Kingdom of God.
